WEATHERIZATION ASSISTANCE PROGRAM FACT SHEET

Weatherization Mission Statement

This program provides repairs and measures designed to assist the low-income homeowner in reducing home energy costs by eliminating the infiltration of air. Measures to address health and safety issues are also completed. Services are available in Alachua, Marion and Levy counties.

Client Selection Criteria

Priority of service will be given to eligible low-income homeowners who meet the poverty income guidelines under Federal Department of Energy Standards (10 CFR 440). Preference is given to the elderly, physically disabled, families with children under 12 and households with a high energy burden. **Per Department of Energy regulations, if you received Weatherization services on your home after September 30, 1994, you are NOT eligible for service again.*

To Qualify

- Verification of **ALL** household income must be provided for **the last 12 months**. Documents required for verification may include: last 4 pay stubs for all working occupants, unemployment, retirement, pensions, VA, SS, SSI, TANF, rental income, business income, ETC.
Bank statements are not acceptable forms of verification.
- Proof of disability if claimed.
- Proof of homeownership. This would include property taxes, warranty deeds or certificates of title.
- Provide most recent electric bill (must show all usage information, no bill stubs or shut-off notices).
- Copies of Social Security Cards and Phot ID for all household members.

***Please do not send original documentation, only copies.**

All of the above documentation is REQUIRED at the time the application is submitted.

NO INCOMPLETE APPLICATIONS WILL BE ACCEPTED

Since this is a free service, our waiting list is long! **PLEASE BE PATIENT**. Once you submit your completed application your name will be placed on a prioritized waiting list. Updated information may be required prior to and post construction. Any questions please call **352-373-7667**. **Faxed applications will not be accepted.**

ENERGY CONSERVATION GUIDELINES

You may conserve energy and save money by following these suggestions

- Pay electric bill on time to avoid late fees and interest charges.
- Be aware of your energy costs and set a goal to reduce consumption.
- Set thermostat at a constant temperature:
 - 78 degrees (Fahrenheit) or higher for cooling
 - 70 degrees (Fahrenheit) or lower for heating
- Use ceiling fans to supplement cooling. Raise the thermostat setting 3 to 4 degrees.
- Clean or replace filters each month
- Keep windows and exterior doors closed while the a/c or heating system is operating
- Turn off lights, fans and televisions when not in use.
- Avoid excessive trips and keep the refrigerator door closed properly.
- Wash and dry full loads. Use a clothesline when possible.
- **Never** use stove burners for heating your home.

TERMS AND CONDITIONS CONSENT TO INSPECT

Access to Residence/Conditions:

- I authorize Central Florida Community Action Agency staff, inspectors, contractors and sub-contractors to enter my home as needed to perform energy audits, weatherization work and inspections of weatherization work during business hours and on a reasonable schedule.
- I understand that if there are discrepancies found between information supplied on the application and observed conditions at the home, services will be denied or deferred.
- I agree to allow my home to be photographed (inside and outside) for pre and post work documentation.
- I agree to and understand that if my home is deemed unsafe or dangerous conditions (Structural damage, unrepaired sinkholes, etc.), presence of debris, roof leaks, excessive clutter, mold insect/rodent infestation, pets, threat of violence, etc. the project will be postponed until these conditions are corrected.
- I understand that if the energy audit recommends replacement of air conditioners, heating units, refrigerators and/or water heaters, the contractor will have to remove the existing unit(s) from the property.
- I agree and understand that weatherization activities that will make the home more energy efficient will be performed and that homeowner refusal or HOA disapproval of certain measures will disqualify the home for any services at that time.
- I understand this is not a rehabilitation program. There may be other measures needed on your home that cannot be addressed due to funding and/or program limitations. All energy saving measures will be done in accordance with the priority list.
- I am aware that energy saving measures will be performed in an attempt to lower the home's utility usage and will not hold Central Florida Community Action Agency liable if these measures do not correct the problem.

Mu signature verifies:

- The residence is not currently for sale, nor is it designated for acquisition, clearance or foreclosure.
- That the home does not have any unpermitted additions, open permits or currently being remodeled.
- That I am not aware of any roof leaks.
- That the home has not been previously weatherized (unless work was completed prior to September 30, 1994).
- Upon completion of work, I will give permission for the inspectors, weatherization staff, contractors, sub-contractors, Department of Economic Opportunity staff and federal officials to inspect the work.

I certify information provided in this application is true, correct and complete to the best of my knowledge. I understand that I may be fined, imprisoned or both under state and federal law if I make false statements on the application in order to get benefits I am not eligible to receive. The Weatherization Assistance Program is free of charge, but I understand that if my home is serviced due to incomplete or incorrect information that would otherwise make my household ineligible. I accept responsibility for paying for services received.

My signature below indicates that I have read, understood and agree to the conditions on this application.
